- The request must be in writing;
- The request shall state the name and contact information of the requesting party, as well as provide valid proof of identification or authorization; and
- The request shall reasonably describe the information requested, and the reason for, or purpose of, the request for information. (See **Annex F**)

The request can be made through email, provided that the requesting party shall attach in the email a scanned copy of the FOI application request, and a copy of a duly recognized government ID with photo such as but not limited to voter's ID, senior citizen's ID, PRC ID, SSS ID, and the like.

1.2 In case the requesting party is unable to make a written request, because of illiteracy or due to being a person with disability, he or she may make an oral request, and the FRO shall reduce it in writing.

1.3 The request shall be stamped received by the FRO, indicating the date and time of the receipt of the written request, and the name, rank, title and position of the public officer who actually received it, with a corresponding signature and a copy, furnished to the requesting party. In case of email requests, the email shall be printed out and shall follow the procedure mentioned above, and be acknowledged by electronic mail. The FRO shall input the details of the request on the Request Tracking System and allocate a reference number.

1.4 The DOH must respond to requests promptly, within the fifteenth (15) working day following the date of receipt of the request. A working day is any day other than a Saturday, Sunday or a day which is declared a national public holiday in the Philippines. In computing for the period, Art. 13 of the New Civil Code shall be observed.

The date of receipt of the request will be either:

- a. The day on which the request is physically or electronically delivered to the government office, or directly into the email inbox of a member of staff; or

- b. If the government office has asked the requesting party for further details to identify and locate the requested information, the date on which the necessary clarification is received.

An exception to this will be where the request has been emailed to an absent member of staff, and this has generated an 'out of office' message with instructions on how to re-direct the message to another contact. Where this is the case, the date of receipt will be the day the request arrives in the inbox of that contact.

Should the requested information need further details to identify or locate, then the 15 working days will commence the day after it receives the required clarification from the requesting party. If no clarification is received from the requesting party after sixty (60) calendar days, the request shall be closed. Provided that, upon request for clarification by the FOI Receiving Officer, the same shall inform the requesting party that if no clarification from their end is received within 60 days, the case is automatically closed thereafter. This will serve as advance notice of closure.

- 2. Initial Evaluation.** After receipt of the request for information, the FRO shall evaluate the contents of the request.

- 2.1 Request relating to more than one office under the DOH:** If a request for information is received which requires to be complied with, of different offices, the FRO shall forward such request to the said office concerned and ensure that it is well coordinated and monitor its compliance. The FRO shall also clear with the respective FROs of such offices that they will only provide the specific information that relates to their offices.

- 2.2 Requested information is not in the custody of the DOH:** If the requested information is not in the custody of the DOH or any of its offices, following referral and discussions with the FDM, the FRO shall undertake the following steps:

- If the records requested refer to another agency not in the custody of DOH, the request will be immediately transferred to the appropriate agency through the most expeditious manner and the transferring office must inform the requesting party that the information is not held within the 15 working day limit. The 15 working day requirement for the receiving office commences the day after it receives the request.
- If the records refer to an office not within the coverage of E.O. No. 2, the requesting party shall be advised accordingly and provided with the contact details of that office, if known.

- 2.3 Requested information is already posted and available on-line:** Should the information being requested is already posted and publicly available in the DOH website (<http://www.doh.gov.ph>), data.gov.ph or foi.gov.ph, the

FRO shall inform the requesting party of the said fact and provide them the website link where the information is posted.

2.4 Requested information is substantially similar or identical to the previous request: Should the requested information be substantially similar or identical to a previous request by the same requester, the request shall be denied. However, the FRO shall inform the applicant of the reason of such denial.

- 3. Transmittal of Request by the FRO to the FDM:** After receipt of the request for information, the FRO shall evaluate the information being requested, classify the request as either (1) program and policy-related requests or (2) Administrative, legal or finance-related requests, and notify the appropriate FDM for such request. The copy of the request shall be forwarded to such FDM within one (1) day from receipt of the written request. The FRO shall record the date, time and name of the FDM who received the request in a record book with the corresponding signature of acknowledgement of receipt of the request.
- 4. Role of FDM in processing the request:** Upon receipt of the request for information from the FRO, the FDM shall assess and clarify the request if necessary.

In assessing, the FOI Decision Makers must first consider the following:

- The information requested contains sensitive personal information protected by the Data Privacy Act of 2012;
- The information requested falls under the list of exceptions (**Annex E**)
- The purpose for the request is contrary to existing laws and/or policies

If any of the above three instances is present, the FOI Decision Maker will immediately deny the request with notice to the requesting party of the grounds of such denial.

If the request is valid in form and substance, the FOI Decision Maker may proceed in retrieving the information requested. He or she shall then forward the request to the appropriate Data Custodian to make all necessary steps to locate and retrieve the information requested. The Data Custodian shall ensure that the complete information requested be submitted to the FDM within 5 working days upon receipt of such request. The FDM shall then ensure that the information requested be approved and submitted back to the FRO for release within 5 working days.

The FRO shall note the date and time of receipt of the information from the FDM and report to the DOH M&E and Data Governance Technical Working Group in case the submission is beyond the 10-day period.

If the FDM needs further details to identify or locate the information, he shall, through the FRO, seek clarification from the requesting party. The clarification

shall stop the running of the 15 working day period and will commence the day after it receives the required clarification from the requesting party.

If the FDM determines that a record contains information of interest to another office, the FDM shall consult with the agency concerned on the disclosability of the records before making any final determination.

- 5. Role of FRO to transmit the information to the requesting party:** Upon receipt of the requested information from the FDM, the FRO shall collate and ensure that the information is complete. He or she shall attach a cover/transmittal letter signed by the FDM who approved the request and ensure the transmittal of such to the requesting party within 15 working days upon receipt of the request for information.
- 6. Request for an Extension of Time:** If the information requested requires extensive search of the government's office records facilities, examination of voluminous records, the occurrence of fortuitous events or other analogous cases, the FDM should inform the FRO.

The FRO shall inform the requesting party of the extension, setting forth the reasons for such extension. In no case shall the extension exceed twenty (20) working days on top of the mandated fifteen (15) working days to act on the request, unless exceptional circumstances warrant a longer period.

- 7. Notice to the Requesting Party of the Approval/Denial of the Request:** Once the FDM approved or denied the request, he shall immediately notify the FRO who shall prepare the response to the requesting party either in writing or by email. The Office of the Secretary of Health and the DOH M&E and Data Governance Technical Working Group shall be furnished with a copy of all actions on FOI requests, whether approval or denial.
- 8. Approval of Request:** In case of approval, the FRO shall ensure that all records that have been retrieved and considered be checked for possible exemptions, prior to actual release. The FRO shall prepare the letter or email informing the requesting party within the prescribed period that the request was granted and be directed to pay the applicable fees, if any.
- 9. Denial of Request:** In case of denial of the request wholly or partially, the FRO shall, within the prescribed period, notify the requesting party of the denial in writing. The notice shall clearly set forth the ground or grounds for denial and the circumstances on which the denial is based. Failure to notify the requesting party of the action taken on the request within the period herein provided shall be deemed a denial of the request to information.

SECTION 6. REMEDIES IN CASE OF DENIAL

A person whose request for access to information has been denied may avail himself of the remedy set forth below:

1. Administrative FOI Appeal to the DOH Central Appeals and Review Committee: Provided, that the written appeal must be filed by the same requesting party within fifteen (15) calendar days from the notice of denial or from the lapse of the period to respond to the request.

 - b. The appeal shall be decided by the Secretary of Health upon the recommendation of the Central Appeals and Review Committee within thirty (30) working days from the filing of said written appeal. Failure to decide within the 30-day period shall be deemed a denial of the appeal.

The DOH M&E and Data Governance Oversight Committee shall be designated as the DOH Central Appeals and Review Committee for FOI in DOH.

2. Upon exhaustion of administrative FOI appeal remedies, the requesting party may file the appropriate judicial action in accordance with the Rules of Court.

SECTION 7. REQUEST TRACKING SYSTEM

All DOH Bureaus, Regional Offices, Services and selected attached agencies shall submit their accomplished FOI Registry to the DOH M&E and Data Governance TWG every second Monday of the quarter for monitoring and evaluation of FOI implementation.

SECTION 8. FEES

2. **Reasonable Cost of Reproduction and Copying of the Information:** The FRO shall immediately notify in writing the requesting party in case there shall be a reproduction and copying fee in order to provide the information. Such fee shall be the actual amount spent by the DOH in providing the information to the requesting party. An official receipt (OR) shall be issued to the requesting party upon payment of fee and the said OR shall be presented in the releasing of documents.

SECTION 4. Exception. Access to information shall be denied when the information falls under any of the exceptions enshrined in the Constitution, existing law or jurisprudence.

The AGENCY of Justice and the Office of the Solicitor General are hereby directed to prepare an inventory of such exceptions and submit the same to the Office of the President within thirty (30) calendar days from the date of effectivity of this Order.

The Office of the President shall thereafter, immediately circularize the inventory of exceptions for the guidance of all government offices and instrumentalities covered by this Order and the general public.

Said inventory of exceptions shall periodically be updated to properly reflect any change in existing law and jurisprudence and the AGENCY of Justice and the Office of the Solicitor General are directed to update the inventory of exceptions as the need to do so arises, for circularization as hereinabove stated.

SECTION 5. Availability of SALN. Subject to the provisions contained in Sections 3 and 4 of this Order, all public officials are reminded of their obligation to file and make available for scrutiny their Statements of Assets, Liabilities and Net Worth (SALN) in accordance with existing laws, rules and regulations, and the spirit and letter of this Order.

SECTION 6. Application and Interpretation. There shall be a legal presumption in favor of access to information, public records and official records. No request for information shall be denied unless it clearly falls under any of the exceptions listed in the inventory or updated inventory of exceptions circularized by the Office of the President provided in the preceding section.

The determination of the applicability of any of the exceptions to the request shall be the responsibility of the Head of the Office, which is in custody or control of the information, public record or official record, or the responsible central or field officer duly designated by him in writing.

In making such determination, the Head of the Office or his designated officer shall exercise reasonable diligence to ensure that no exception shall be used or availed of to deny any request for information or access to public records, or official records if the denial is intended primarily and purposely to cover up a crime, wrongdoing, graft or corruption.

SECTION 7. Protection of Privacy. While providing access to information, public records, and official records, responsible officials shall afford full protection to the right to privacy of the individual as follows:

- (a) Each government office per Section 2 hereof shall ensure that personal information in its custody or under its control is disclosed or released only if it is material or relevant to the subject matter of the request and its disclosure is permissible under this order or existing law, rules or regulations;
- (b) Each government office must protect personal information in its custody or control by making reasonable security arrangements against leaks or premature disclosure of personal information, which unduly exposes the individual, whose personal information is requested, to vilification, harassment or any other wrongful acts.
- (c) Any employee, official or director of a government office per Section 2 hereof who has access, authorized or unauthorized, to personal information in the custody of the office, must not disclose that information except when authorized under this order or *pursuant to* existing laws, rules or regulation.

SECTION 8. People's Freedom to Information (FOI) Manual. For the effective implementation of this Order, every government office is directed to prepare within one hundred twenty (120) calendar days from the effectivity of this Order, its own People's FOI Manual, which shall include among others the following provisions:

- (a) The location and contact information of the head, regional, provincial, and field offices, and other established places where the public can obtain information or submit requests;
- (b) The person or office responsible for receiving requests for information;
- (c) The procedure for the filing and processing of the request as specified in the succeeding section 9 of this Order.
- (d) The standard forms for the submission of requests and for the proper acknowledgment of requests;

- (e) The process for the disposition of requests;
- (f) The procedure for the administrative appeal of any denial for access to information; and

SECTION 9. Procedure. The following procedure shall govern the filing and processing of request for access to information:

- (a) Any person who requests access to information shall submit a written request to the government office concerned. The request shall state the name and contact information of the requesting party, provide valid proof of his identification or authorization, reasonably describe the information requested, and the reason for, or purpose of, the request for information: *Provided*, that no request shall be denied or refused acceptance unless the reason for the request is contrary to law, existing rules and regulations or it is one of the exceptions contained in the inventory or updated inventory of exception as hereinabove provided.
- (b) The public official receiving the request shall provide reasonable assistance, free of charge, to enable, to enable all requesting parties and particularly those with special needs, to comply with the request requirements under this Section. (c) The request shall be stamped by the government office, indicating the date and time of receipt and the name, rank, title and position of the receiving public officer or employee with the corresponding signature, and a copy thereof furnished to the requesting party. Each government office shall establish a system to trace the status of all requests for information received by it.
- (d) The government office shall respond to a request fully compliant with requirements of sub-section (a) hereof as soon as practicable but not exceeding fifteen (15) working days from the receipt thereof. The response mentioned above refers to the decision of the agency or office concerned to grant or deny access to the information requested.
- (e) The period to respond may be extended whenever the information requested requires extensive search of the government office's records facilities, examination of voluminous records, the occurrence of fortuitous cases or other analogous cases. The government office shall notify the person making the request of the extension, setting forth the reasons for such extension. In no case shall the extension go beyond twenty (20) working days unless exceptional circumstances warrant a longer period.
- (f) Once a decision is made to grant the request, the person making the request shall be notified of such decision and directed to pay any applicable fees.

SECTION 10. Fees. Government offices shall not charge any fee for accepting requests for access to information. They may, however, charge a reasonable fee to reimburse necessary costs, including actual costs of reproduction and copying of the information required, subject to existing rules and regulations. In no case shall the applicable fees be so onerous as to defeat the purpose of this Order.

SECTION 11. Identical or Substantially Similar Requests. The government office shall not be required to act upon an unreasonable subsequent identical or substantially similar request from the same requesting party whose request from the same requesting party whose request has already been previously granted or denied by the same government office.

SECTION 12. Notice of Denial. If the government office decides to deny the request, in whole or in part, it shall as soon as practicable, in any case within fifteen (15) working days from the receipt of the request, notify the requesting party the denial in writing. The notice shall clearly set forth the ground or grounds for denial and the circumstances on which the denial is based. Failure to notify the requesting party of the action taken on the request within the period herein stipulated shall be deemed a denial of the request for access to information.

SECTION 13. Remedies in Cases of Denial of Request for Access to Information.

(a) Denial of any request for access to information may be appealed to the person or office next higher in the authority, following the procedure mentioned in Section 9 of this Order: Provided, that the written appeal must be filed by the same person making the request within fifteen (15) working days from the notice of denial or from the lapse of the relevant period to respond to the request.

(a) The appeal be decided by the person or office next higher in authority within thirty (30) working days from the filing of said written appeal. Failure of such person or office to decide within the afore-stated period shall be deemed a denial of the appeal.

(b) Upon exhaustion of administrative appeal remedies, the requesting part may file the appropriate case in the proper courts in accordance with the Rules of Court.

SECTION 14. Keeping of Records. Subject to existing laws, rules, and regulations, government offices shall create and/or maintain accurate and reasonably complete records of important information in appropriate formats, and implement a records management system that facilitates easy identification, retrieval and communication of information to the public.

SECTION 15. Administrative Liability. Failure to comply with the provisions of this Order may be a ground for administrative and disciplinary sanctions against any erring public officer or employee as provided under existing laws or regulations.

SECTION 16. Implementing Details. All government offices in the Executive Branch are directed to formulate their respective implementing details taking into consideration their mandates and the nature of information in their custody or control, within one hundred twenty (120) days from the effectivity of this Order.

SECTION 17. Separability Clause. If any section or part of this Order is held unconstitutional or invalid, the other sections or provisions not otherwise affected shall remain in full force or effect.

SECTION 18. Repealing Clause. All orders, rules and regulations, issuances or any part thereof inconsistent with the provisions of this Executive Order are hereby repealed, amended or modified accordingly: *Provided*, that the provisions of Memorandum Circular No. 78 (s. 1964), as amended, shall not be deemed repealed pending further review.

SECTION 19. Effectivity. This Order shall take effect immediately upon publication in a newspaper of general circulation.

FREEDOM OF INFORMATION REQUEST FORM

IMPORTANT – Please read this information carefully before you complete the FOI request form. Once you have completed your request we **strongly advise** that you keep a copy for your records.

What is Executive Order No.2 s. 2016?

On July 23, 2016, President Rodrigo Roa Duterte signed Executive Order No. 2, also known as the Freedom of Information (FOI) Executive Order (EO). It upholds the constitutional right of people to information on matters of public concern.

The Executive Order covers all government offices under the Executive Branch, including government-owned or -controlled corporations (GOCCs) and state universities and colleges (SUCs). It requires all executive departments, agencies, bureaus, and offices to make public records, contracts, transactions and any information requested by a member of the public, except for sensitive information and matters affecting national security.

What is Freedom of Information?

The FOI EO is an important enabling mechanism to promote transparency in the government's administrative process. Through FOI, citizens are empowered to make a formal request to get information held by the government, barring certain sensitive and important data related to the nation's security. The FOI complements continuing proactive information disclosure efforts where agencies are duty-bound to publish information in the spirit of openness and transparency.

Freedom of Information is an integral element of President Duterte's Good Governance Plan aligned to reforms and initiatives that pursue greater transparency, accountability, and citizen participation in governance.

Who is overseeing the implementation of FOI Executive Order No. 2?

The Office of the President through the Presidential Communications Operations Office (PCOO) is over-seeing the implementation and operationalization of the FOI program. PCOO is also responsible for monitoring compliance and performance of all government agencies.
